BOARD PRESIDENT FOR SECOND TERM**

Larry W. Wilshire, partner in the firm of Brown, Herman, Dean, Wiseman, Liser & Hart LLP, has been re-elected president of the Board of Trustees of the Mansfield Independent School District, marking 10 years of service to education in the community in which his family lives.

MISD is the second fastest growing school district in Texas with a student population of more than 20,000. With a growth rate of 10 to 13 percent each year, the district spans 95 square miles in Mansfield, south Arlington, west Grand Prairie and the community of Rendon. MISD has been named a "Recognized District" by the Texas Education Agency four times during the past five years.

Mr. Wilshire, first elected to the school board in 1994, has served as board secretary and vice president. He was first elected president by his peers in 2002.

The graduate of Baylor University School of Law focuses on construction, business litigation, public housing and property development and management. He has been active in youth activities in the areas of school, sports and church.
